EMPATHETIC LEADERSHIP

Amplify Impact and Efficiency Through a Leadership Culture of Kindness and Connection

Keynote | Lecture | Workshop Topic

In our rapidly evolving business reality, characterized by escalating volatility, uncertainty, and complexity, it's common for leaders to feel overwhelmed. Faced with this challenge, many revert to outdated, ineffective behaviors—relying on past methods, avoiding responsibility, or resorting to 'management by fear.'

Failing to address these destructive reactions exacerbates the problem, leading to disengagement, increased turnover, and diminished success.

This lecture offers a solution: empowering leaders and managers to cultivate human-centric leadership skills essential for thriving in a high-tech, fast-paced, and disconnected environment.

In this heart-opening keynote, Linda Bjork shares leading-edge insights on how to become a leader with connection, meaning, and great impact.

Consciousness expert, and mindtrainer Linda Bjork shows audiences:

- The fascinating science underpinning the effectiveness of heart-based leadership.
- Practical strategies for leveraging soft skills to achieve impactful results in tough environments.
- Insights into the crucial role empathy and kindness play in fostering team effectiveness, and the detrimental effects of misuse.
- The concept of the heart as our "5th brain" and its implications for achieving business success.
